**Partner with North American Ministries in our Pre-Thanksgiving days of Prayer, November 18–22.**

## Encouraged by the Dedication of NAM Church Planters

Across the nation, NAM church planters continue to demonstrate exceptional dedication to the Lord! Even in challenging fields, these planters are cultivating congregations of believers committed to discipleship, outreach, and service. Please pray God will continue blessing their ministries, their families, and their communities. Ask Him to give them increasing opportunities to reach others with the hope of Jesus and to call more church planters to the ministry.

## Encouraged by the Reach of NAM Cross-Cultural Ministries

Multi-cultural ministry is thriving through the work of NAM's cross-cultural church planters and English-speaking congregations partnered with them to reach the countless individuals coming to America from all over the world. Please pray for NAM's current team of Spanish-speaking pastors and their congregations. Ask the Lord to grow these ministries and pray He will provide the needed resources, workers, and opportunities for these ministries to fulfill their calling to diverse people groups and cultures.

## Encouraged by the Service of FWB Chaplains

Our service members make sacrifices each day to keep our country safe and free. Military chaplains and their families know these sacrifices well. In addition to serving our country, they also serve as ambassadors for Christ, proclaiming the Gospel at home and around the world. Please pray for our FWB chaplains and their families as they work to fulfill God's mission in their lives. Ask God to bless them with peace, strength, safety, and encouragement amid the challenges they may face.

## Encouraged by New Christian Leaders

Through the ministry of the NAM Hispanic Bible Institute, over 50 mission works have been started, and 380 graduates are ministering across the U.S. and in Latin America. The first group of students to enroll in the Hispanic Institute since its relocation to Parkers Chapel in Greenville, NC started classes this August! Please pray for these new students and their instructors. Ask God to use the Institute to grow their faith and knowledge of the Lord so that they can build the Kingdom wherever He leads them.

## Encouraged by Your Investment in Gospel Ministry

We are thankful for the way God provides through NAM's Church Extension Loan Fund. For over 40 years, investors have entrusted CELF to support gospel efforts by using their funds to provide building and expansion loans to church plants and ministries all over the United States. Please pray God will continue providing CELF with gospel-minded investors and that He will direct NAM's CELF administrators as they seek to wisely use these financial resources to promote Kingdom work.
