## UPDATES

### CHILDREN'S MINISTRY

We just repainted our older kids' classroom. The kids absolutely love it. It is amazing to start seeing the vision come to life in the children's ministry.

### WORSHIP MINISTRY

There are no major updates in worship ministry as of this time.

### YOUTH MINISTRY

Unfortunately, we still do not have any youth. Cody has been helping with the kids' ministry.

### WHAT'S HAPPENING

Hello, everyone! It has been a couple of months since our last update, and a lot has happened.

### RECENT CHURCH VISITS

Luke has visited multiple association meetings recently. We have spoken at Crowder FWB Church and Prague FWB Church. We always have a great time going to new churches and meeting new people. We also revisited Cross Point Church in Kansas. It was great to give an update on everything God has done in Ardmore!

We will be taking a break from fundraising at the end of November. With our baby girl being due around Christmas, it is advised by our doctors to stay around the Ardmore area. After she is born, we will take a few months to enjoy life as a family of four before we hit the road again.

### LIFE UPDATE

Eden turned one just a few weeks ago. We have decided to name our second baby girl Noah Fay.

### HILLTOP UPDATE

Since the last update, Hilltop church sent two kids to church camp. We stayed with some lovely churches. We are happy to report that one of the kids gave his life to Christ!!! We are talking to him and his parents about the next steps, including baptism.

As a team, we went to the National Convention in Florida. We had a great time meeting new people, seeing old friends, and growing closer to Christ.

Pastor Matt and Becky Hanshaw welcomed their baby girl into the world. They are all doing great!

November through January are going to be hard months at Hilltop. Most of our volunteers in nursery and worship are going to be taking a break because of having babies. This is a great problem to have, but please be in prayer as we search for ways to navigate this time.
